

Priscilla Ann Slemp

AHRMM Advisory Board Candidate

CANDIDATE STATEMENT

My “WHY”

To be nominated & participate as a candidate for the Advisory Board comes from my belief in the firm foundation AHRMM empowers its members. I want to participate, drive change, and become involved by offering my skills, talent, and passion for this career. AHRMM serves a vast marketplace and range of talent that historically provides unprecedented resources and a voice in Washington. I believe this is the right time for me to step in and navigate the current healthcare supply chain profession that will take us through to the future with diverse and robust platforms. I believe my 30+ years in healthcare, ranging from clinical roles and administrative positions to my current Supply Chain career. I understand and can convey the impact and importance of a strong and diverse Advisory Board to vast audiences. I believe that creating a ripple can build into a positive wave.

Leadership

My “PROMISE”

I believe as a member of the Advisory Board, I will be committed and act as a leader. The healthcare supply chain “voice” and professional components development to lead change to work proactively and support the needs that drive and deliver quality healthcare with financial stewardship. To have a voice, we must first listen. To better understand the needs of the members and extended partners in the complex supply chain of a global economy. My focus on leadership is a success that impacts the members and health systems. As a Board member, I will participate in defined goals, develop a pathway, and communicate with members.
